Welcome!

On behalf of the American Cancer Society National Lung Cancer Roundtable (ACS NLCRT), welcome to the 2025 Annual Meeting! This year's theme, ***Accelerating & Communicating Progress in Lung Cancer***, reflects our shared commitment to action, to turning evidence into impact and ensuring that no one's chance of surviving lung cancer depends on who they are or where they live. Together, through collaboration, innovation, and purpose, we're advancing equity and building a future with more lung cancer survivors.

This meeting is your opportunity to connect, collaborate, and lead as we shape the future of lung cancer risk reduction, early detection, treatment, and care through strategic leadership, sustainable practices, and collective action. Your passion and dedication make the ACS NLCRT a powerful force for progress, and we're grateful to work alongside you in driving meaningful change. Your voice. Your vision. Your impact — it all matters.

Please don't hesitate to reach out with any questions as you are preparing to attend; we are here to support you and ensure a smooth and engaging meeting experience.

With gratitude,

Lauren Rosenthal, MPH, ACS NLCRT Strategic Director
Korey Hofmann, MPH, ACS, Program Manager, Roundtables
