

Wednesday, August 26, 2026
American Cancer Society Hope Lodge
132 W 32nd Street
New York, New York 10001

Welcome!

On behalf of the American Cancer Society National Lung Cancer Roundtable (ACS NLCRT), welcome to the Reflex Testing Workflow Toolkit Working Meeting!

This in-person working meeting is being held to support development of a Reflex Testing Workflow Toolkit that has been discussed on task group calls. As the prioritized deliverable from the 2025 ACS NLCRT Biomarker Summit, we aim to create a Reflex Testing Workflow Toolkit outlining different strategies that can be adopted by various health systems and/or multidisciplinary teams to align biomarker testing strategies that work within their contexts.

Your passion and dedication make the ACS NLCRT a powerful force for progress, and we're grateful to work alongside you in driving meaningful change.

Please don't hesitate to reach out with any questions as you are preparing to attend; we are here to support you and ensure a smooth and engaging meeting experience.

With gratitude,

Lauren Rosenthal, MPH, ACS NLCRT Strategic Director
Korey Hofmann, MPH, ACS, Program Manager, Roundtables

Transportation

Flights: Any flight issues can be handled directly by calling **BCD Travel** at **1-800-952-5770**. After hours code is **24PA**, if needed.

Lyft Pass: We are pleased to provide a Lyft Pass to make it easy for you to reserve rides to and from your home airport, a NY/NJ airport, and the meeting hotel without the need to file for reimbursement. The Pass will cover up to four rides at \$100 per ride.

Your personal cell phone should receive a push notification **by Tuesday, August 25**. Please follow the [Lyft Pass instructions](#) or follow the prompts from your Lyft app to set up the Lyft Pass in advance of the meeting. Please contact nlcrt@cancer.org with any questions.

La Guardia Airport (LGA): 9 miles from the Hyatt House Manhattan/Chelsea

The meeting hotel is approximately 20-35 minutes from LaGuardia airport by car, depending on traffic and time of day.

Newark Liberty International Airport (EWR): 18 miles from the hotel

The meeting hotel is approximately 30-90 minutes from Newark airport by car, depending on traffic and time of day.
