

ESTABLISH YOUR STRUCTURE

QUESTION	STRUCTURE
<p>In what capacity or role can the Comprehensive Cancer Control program serve to support a lung cancer initiative at this time?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Convener <input type="checkbox"/> Collaborator <input type="checkbox"/> Cheerleader
<p>Which structure makes sense (considering role of CCC Program and other potential resources)?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Lung Cancer Committee within CCC Coalition <input type="checkbox"/> Independent 501(c)3 Lung Cancer Coalition <input type="checkbox"/> Grant-Funded Lung Cancer Project
<p>What partners or stakeholders have the capacity/willingness to serve as convener? (If not CCC program).</p>	
<p>How will project management needs be supported?</p>	
<p>What funding needs to be secured to move the project forward?</p>

NOTES:

ESTABLISH YOUR STRUCTURE

CHAMPION/CONVENER	MEMBERS
<p><i>Ideally includes a champion and/or convening partner, and implementation lead or program manager.</i></p>	<p><i>For partners who want to be engaged in the initiative but in more specific, task-oriented ways. Once priorities are set, these can be divided into task groups.</i></p>
STEERING COMMITTEE	
<p><i>Includes other experts and respected individuals who can commit time on a monthly basis to setting the strategic direction.</i></p>	

 HEALTH EQUITY ASSESSMENT	
<p>Who are the underrepresented or marginalized populations in your state?</p>	
<p>How are these populations represented in the different levels of your structure? If they aren't, what groups or thought leaders represent these populations who you can bring to the table?</p>
